Dear Water Customer,

Your Trustee's are pleased to offer two additional forms of payment options for your water bill. Each method will continue to allow us to improve service while being mindful of overall cost. Additionally, you will no longer need to mail a payment thereby avoiding the postage expense and potential delays.

ACH Direct Debit

Your water bill payment is deducted on the due date from your account each month (on the 15th or next business day). You will need to sign an authorization form and provide a voided check to start this service. There is no charge for this service.

Online Bill Pay

You sign up with a bill payment provider (your bank) to pay your water bill over the internet (please set up your payment to post on the 15th of the month). Usually, your bank will provide this service. Any fees are part of what your bank charges for this service. Currently, TTWD does not charge for receiving payments online.

Also, our computer software vendor is considering providing the ability for you to receive your monthly water bill via email. If you are interested in receiving your monthly bill via email, please provide your email account on the sign-up form.

On behalf of TTWD, we would like to Thank You for your interest in these payment options and would encourage you to make any comments regarding the continued improvement of your water district.
